EDUCATION

Bachelor of Arts in Film and TV Production

UNIVERSITY OF SOUTHERN CALIFORNIA

Honors: **Magna Cum Laude**

September 2014 – May 2018

SELECTED COURSEWORK

CS50: Introduction to Computer Science

HARVARD UNIVERSITY

September 2022 – January 2023

- Developed a robust understanding of computer science and underlying mathematical principles
- Created projects using a number of languages, including C, Python, SQL, and JavaScript
- Applied algorithmic skills and time complexity analysis to solve problems efficiently
- Learned about concepts like abstraction, algorithms, data structures, encapsulation, resource management, security, software engineering, and web development

EXPERIENCE

Age Estimator

PROJECT

December 2022 – March 2023

- Developed a web application using JavaScript that queries an API to determine the average age of a user given their name and country
- Implements a live-search feature that listens for the final key-up stroke to begin the search (for an improved user experience)
- Provides the option for additional information to be included to improve the results

TV Department Coordinator

87NORTH PRODUCTIONS

February 2022 – Present

- Managed all department documentation, providing an up-to-date guide from which all department business was conducted.
- Coordinated all action items for an extremely busy department to make sure all concurrent development projects were completed in a timely manner.
- Officiated all external and internal department communications with A-list talent, producers, agents, managers, and executives.
- Lead the 87North internship program including hiring, training, and the development of curriculum
- Created visual pitch decks, and proactively identified and brought in available IP to the company

Literary Manager

3ARTS

April 2021 – January 2022

- Conducted research on available IP for use in development
- Discovered and engaged up-and-coming writers for representation
- Facilitated financial transactions and liaised with accounting to keep business on track

Assistant to Partner, TV Literary Department

WILLIAM MORRIS ENDEAVOR

May 2018 – May 2020

- 1 of 40 selected from a pool of over 600 to become a candidate for the program
- Excelled in an extremely fast-paced work environment, working for multiple partner-level agents on rosters of 100+ clients and helped them grow high-profile talent careers with precision and discretion.
